Elective/ OGUN courses	wint + sum		variable
Specialization courses	wint + sum		variable
Professional Ethics in Applied and Experimental Psychology	summer	30h lecture	4
total			60

YEAR 5	semester	hours and format	ECTS
Master's thesis	wint + sum		10
Elective/ OGUN courses	wint + sum		variable
Specialization courses	wint + sum		variable
total			60

Additional requirements

- By the end of the fifth semester you are required to have completed four semesters of Physical Education (PE) classes. You receive 1 ECTS per semester.
- By the end of year 3 you are required to:
 1. Have completed at least two semesters of a foreign language course (any language other than your mother tongue OR the official language of the country of your citizenship)
 2. Have achieved level B1 in a foreign language that is not English. You can fulfill this by passing a B1 language exam at the University, or to show another official certificate confirming at least B1 level. Note that passing a language course at a certain level is not sufficient, you must pass a certifying exam.

- By the end of your studies you are required to:
 1. Complete at least 35 ECTS credits from academic elective courses. Elective courses are classified as belonging either to the academic elective basket or to the applied elective basket. The course syllabus will mention this, as well as USOS will indicate this. By far the most elective courses are academic.
 2. Complete at least 12 ECTS from non-psychology OGUN courses till the end of your studies. Out of these 12 ECTS, at least 5 ECTS need to come from courses in humanities.
 3. Complete at least 48 ECTS credits of specialization courses
